AND

IN THE MATTER OF an application by **TCS EVENTS LIMITED** for an On-Licence pursuant to s.99 of the Sale and Supply of Alcohol Act 2012 in respect of premises situated at, **314 Cashel Street**, known as **The Corner Store**.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Ms C E Robinson

DECISION ON APPLICATION FOR NEW ON - LICENCE

[1] This is an application by TCS Events Limited ('the applicant') for an On-Licence under s99 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 314 Cashel Street, Christchurch, known as The Corner Store.

[2] The general nature of the premises is that of an event space/gallery. The premises is currently unlicensed. The applicant seeks that the licence be granted on terms and conditions consistent with an on licence for the area.

[3] The application was received by Christchurch District Licensing on 3 May 2018. The application was publicly notified on the Council website on 4 May 2018 with the objection period finishing on 28 May 2018. One objection was received within the

notice period. The objector owns and occupies a neighbouring business and raised concerns about noise, disorderly behaviour and security.¹

[4] The applicant met with the objector and the Agencies. An agreement was reached whereby the applicant would reduce their hours to close at 12pm, provide a noise management plan, manage parking and improve security. The applicant agreed to those measures in writing ('agreed measures').² The agreed measures include:

- (a) Clearly advertise in marketing material carparking on Cashel Street and Clarkson Avenue, not neighbouring businesses carparks.
- (b) Traffic control measures and security to manage carparking.
- (c) Employment of security guards for functions extending beyond 9pm (excluding standard gallery operations and dinner service).
- (d) Installation of security measures.
- (e) Adhere to a Noise Management Plan and not playing music outside after 9pm

[5] The NZ Police and the Medical Officer for Health are not opposed to the application. The Medical Officer for Health noted that as long as the applicant complied with the matters agreed with the objector, then there were no matters to report.

[6] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105 and 106 of the Act.³ The Inspector recommends the grant of the on licence for 12 months subject to conditions.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.⁴

² Email from Hannah Watkinson to Paul Spang, 22 May 2018.

³ Inspectors Report, Paul Spang, 30 May 2018.

⁴ ss 191(2) and 202.

[8] Although the objector has withdrawn I have taken into consideration the agreed measures to ensure good order and amenity of the area. I have included a condition requiring adherence to the Noise Management Plan submitted by the applicant, that includes a restriction to outside music to 9pm. That is because those measures are sufficiently certain, within the applicants control and enforceable. In terms of the remaining agreed measures I have treated these as the applicant's undertakings which should be reviewed upon renewal of the licence to ensure that the applicant's licensed activities are not causing a nuisance to neighbouring property owners. The applicant and the Inspector agree to a condition to adhere to the Noise Management Plan.

[9] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[10] Accordingly, pursuant to s.104(1) of the Act I grant the application for an On-licence for a period of 12 months subject to the following conditions:

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for a licence.

Discretionary conditions – section 110 (1)

- (b) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
 - (i) Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (c) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:

- (i) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

Compulsory conditions – section 110 (2)

- (d) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day to any person who is not present on the premises to dine.
- (e) Alcohol may only be sold the following days and during the following hours when the premises are being operated as a Restaurant:
 - (i) Monday to Sunday, between the hours of 8 am to 12pm.
- (f) Water will be freely available to customers on the premises while the premises are open for business.

Section 117 – Other Discretionary conditions

- (g) The following steps must be taken to promote the responsible consumption of alcohol:
 - (i) The licence must implement and maintain the steps proposed in The Corner Store Host Responsibility Policy⁵ aimed at promoting the reasonable consumption of alcohol.
- (h) The licensee must comply with the Noise Management Plan submitted with the application including the requirement that music played outdoors shall cease at 9pm.

⁵ As attached to the application.

Section 119 – Restricted or supervised areas (other)

- (i) The whole of the premises is designated as a supervised area from 9pm to 12pm.

Other restrictions and requirements

- (j) Section 51 – Non-alcoholic drinks to be available
- (k) Section 52 – Low alcoholic drinks to be available
- (l) Section 53 – Food to be available
- (m) Section 54 – Help with information about transport to be available
- (n) Section 56 – Display of signs
- (o) Section 57 – Display of licences
- (p) Section 214 – Manager to be on duty at all times and responsible for compliance

[11] A copy of the licence setting out the conditions to which it is subject is attached to this decision. The licence shall be issued for 1 year.

[12] The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under the Act. Specifically, s.46 to 63 and 231 (1). The applicant must comply with all conditions specified on a licence.

s.136 of the Act for the

Road, Christchurch**

COMMITTEE**

DECISION 'ON THE PAPERS'

[1] This is an application by **Paint N Sip Studio NZ (2018) Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Paint N Sip Studio**, located at **136 Ilam Road, Christchurch**, and trading under On-licence number 060/ON/183/2015. The licence being current until 12 August 2018.

[2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

[3] The Inspector's report confirms that the applicant has tenure for the premises.

[4] There is no opposition from the Licensing Inspector or the Police.

[5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

[6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

[7] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

DECISION ON APPLICATION FOR RENEWAL OF ON- LICENCE

[1] This is an application by MC Christchurch Holdings Limited ('the applicant') for a renewal of an On-Licence pursuant to s129 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 764 Colombo Street, Christchurch, known as Crown Plaza Christchurch. The premises operate under an existing licence, which expires on 30 June 2018.¹

[2] The general nature of the premise is that of a hotel.

¹ 60/ON/144/2017

[3] The application was received by Christchurch District Licensing on 18 April 2018. The application was publicly notified on 18 April 2018. No objections were received.

[4] There is no objection from the NZ Police and from the Medical Officer for Health. The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.² The Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions.

[5] The Inspector has requested a waiver pursuant to s208 of the Act. The reason for the waiver is that an amendment has been made to the licensed area after the application was notified on the Council website. A change was also made to the designation. The Inspector noted that the applicant had obtained a licence from the Council to occupy the footpath outside the hotel for the purpose of dining and consuming beverages. The Inspector alerted the applicant that the area concerned is outside the licensed area identified on the existing licence, and that the applicant may wish to include the area. The applicant confirmed that they did wish to include the area. The public notice did not mention the amendment to the licensed area.

[6] I questioned the Inspector as to whether it was appropriate to grant a waiver in circumstances where the licensed area was being altered or whether it was more appropriate to renotify the application. I asked for more detail to support the grounds for a waiver under s208. The Inspector responded that the applicant had used the footpath outside as an unlicensed area since obtaining a license to occupy the footpath from the Council in July 2017. The Inspector also submitted that in relation to an application for waiver:³

When taking into account a request for a waiver in relation to public notices the type of license, nature of operation, compliance concerns, location and complaints are all taken into account. For a premises such as this where there are no concerns, the location is well known established premises to those who visit and work in the area, and it would be extremely unlikely to attract an objection (in my experience a premises such as this has never attracted an objection), and I do not believe anyone has been prejudiced by the omission in the public notice or that the omission was wilful.

² Inspectors Report, Jennifer Ramsay, 21 May 2018.

³ Email from Inspector to Committee, 1 June 2018.

[7] The Inspector also noted:

It is also not uncommon that an applicant chooses to vary conditions after public notices have been displayed. This is because the agencies discuss the application with the applicant and changes may come about at that time, for example a change to a designation as the manner in which the premises operates has changed.

[8] The power to grant a waiver for any omission is not a general power to make any amendment to an application. While it may be a common occurrence for an application to change after it is notified, following discussion between an applicant and the Agencies, care still needs to be taken to ensure that any changes to conditions which alter the scope of the application as originally notified are properly made with notice. A person with an interest greater than the public generally is entitled to rely on the public notice to ascertain their interest. An increase in the licensed area (especially outside of the building footprint) have the potential to impact on a would-be objector.

[9] In this case, I note that the amendment to the licensed area incorporated a small area which was already used by the applicant as an unlicensed area, was authorised by the Council pursuant to a licence to occupy and the use of the licensed premises is well known. It is unlikely to have prejudiced any would be objector. It appears that the failure to identify the amendment was not wilful. Taking into consideration those factors I grant the waiver to include the footpath area and amend the designation.

[10] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.⁴

[11] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) and s131 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[12] Accordingly, pursuant to s.130(1) of the Act I grant the application for a renewal of the On-licence for a period of 3 years subject to the following conditions:

⁴ ss 191(2) and 202.

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for a licence.

- (b) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:

 - (iii) To any person present: Monday to Sunday 8am to 3am the following day.

- (f) Water will be freely available to customers on the premises while the premises are open for business.

DECISION ON APPLICATION FOR A RENEWAL OF MANAGERS CERTIFICATE

[1] This is an application by Harpal Singh ('the applicant') for renewal of a Managers Certificate pursuant to s224 of the Sale and Supply of Alcohol Act 2012 ('the Act').¹ The application was called for public hearing because Mr Singh had not produced evidence that he had completed the required LCQ qualification which was required as a result in change in legislation, notwithstanding the applicant previously held a Manager's Certificate. Mr Singh appeared before us and explained that he had completed the course the previous week, however, he was yet to receive his certificate. That being the only outstanding issue we adjourned the hearing to enable Mr Singh to provide his certificate. He has now done so.

[2] There is no opposition from the NZ Police. I have read the Inspector's Reports and note there is no further opposition.² We can deal with the application on the papers.³

DECISION ON APPLICATION FOR RENEWAL OF ON AND OFF - LICENCE

[1] This is an application by Takamatua Valley Vineyards Limited ('the applicant') for a renewal of an On-Licence and Off-Licence pursuant to s129 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 59 Long Bay Road, Christchurch, known as Akaroa Winery. The premises operate under existing on and off licences, which expired on 21 December 2017¹

[2] The general nature of the premise is that of a winery.

[3] The application was received by Christchurch District Licensing on 24 November 2017. The application was publicly notified on 6 December 2018. No objections were received.

¹ 60/ON/16/2015 and 60/OFF/3/2015

[4] There has been some delay in processing the application due to the applicant having let his managers certificate lapse. The business had been closed for some time due to earthquake repairs. Once this matter was brought to the applicant's attention the situation was rectified. There is no objection from the NZ Police and from the Medical Officer for Health. The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.² The Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions.

[5] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.³

[6] Looking at the application and the correspondence between the applicant, the Inspector and in correspondence from the Medical Officer for Health, there appeared to be a lack of certainty as to what food the applicant will provide on-site (apart from catered events where menus are provided). There is some mention of crackers, breadsticks and local cheese for wine tastings in email correspondence. For the applicant's reference they will need to ensure that a reasonable range of food is available whenever alcohol is sold or supplied for consumption on the premises in accordance with s53 of the Act.

[7] There was also a lack of clarity with respect to the extent of the licensed area. The Inspector referred to outdoor areas in her report, however, the plan accompanying the application did not appear to show these. Following further investigation, the Inspector provided an updated aerial photograph with the extent of the licensed areas identified by a dark line.⁴ The licensed area includes the terrace and grassed area which is used for functions from time to time. It appears that these areas were always understood to have been included in the licensed area, however, the site plan had never clearly identified these. That has now been rectified. The Medical Officer for Health and the NZ Police have no concerns regarding this clarification.

² Inspectors Report, Anneke Lavery, 21 May 2018.

³ ss 191(2) and 202.

⁴ Aerial Photograph with black line dated 30 May 2018.

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) and s131 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to s.130(1) of the Act I grant the application for a renewal of both the On-licence and Off Licence for a period of 3 years subject to the following conditions:

Supply of Alcohol Act
2012 in respect of
premises situated at, **41
Bishopdale Court,
Christchurch**, known as
New World Bishopdale.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

DECISION ON THE PAPERS

[1] This is an application by **Bond Markets Limited** for renewal of an Off-Licence in respect of premises situated at **41 Bishopdale Court, Christchurch**, known as **New World Bishopdale**.

[2] The general nature of the premise is that of a **supermarket**.

[3] The application was received by the Christchurch District Licensing Agency (DLC) on 23 July 2015; and we are satisfied as to the matters to which we must have regard as set out in s.131 of the Act.

[4] No other matters have been raised in opposition in any reports as required by s.103 accordingly we deal with the matter on the papers.

[5] No other issues have been raised by the agencies in regards to s 105 of the Act.

[6] The Committee wishes to advise that it may still have reservations concerning the single alcohol area. The Alcohol Regulatory Licensing Authority has reconsidered an appeal against the Committee's original decision as directed by the High Court in: **J & C Vaudry Ltd Canterbury Medical Officer of Health {2016} NZCA 539** and suggested the DLC should decline to take into account s 112(1) and address the question of a single alcohol area in the next substantive renewal application.

[7] As almost 3 years have passed since the licence came up for renewal, and the issuing of a Decision on the renewal has been delayed pending the outcome of appeal, it is now no longer possible for the Committee to delay issuing a Decision on this application. The substantive licence is due to expire and a new renewal application needs to be lodged 20 working days prior to the 14 August 2018.

[8] The application was duly advertised and no public objection or notice of desire to be heard has been received.

[9] The plan of the store was attached to the application, marked 'Bishopdale New World' and dated 23 June 2015. The area marked "A" is the plan of the Single Alcohol area approved by the Committee.

[10] We are satisfied after standing back and evaluating all the matters placed before us that the application fulfils the criteria as set out in s.105 of the Act and does not offend against either the purpose or object of the Act. Pursuant to s.211(1)(c) the Committees attitude to this application is therefore that it should be granted. We hereby grant the application for an Off-licence pursuant to s.104(1) for a period of 3 years.

[11] The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act, specifically s.46 to 63 and 231 (1).

[12] The applicant must comply with all conditions specified on a licence.

- (a) **No alcohol is to be sold or delivered on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day.**
- (b) **Alcohol may only be sold or delivered on the following days and during the following hours while the premises are operating as a supermarket:**
- Monday to Sunday, between the hours of 7.00 am to 11.00 pm**
- (c) **Drinking water will be freely available from the premises to customers, while alcohol is being supplied free as a sample on the premises.**

Restaurant**.

**BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING
COMMITTEE**

DECISION 'ON THE PAPERS'

[1] This is an application by **Vintage India Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Delhi Belly Indian Restaurant**, located at **53 Victoria Street, Christchurch**, and trading under On-licence number 060/ON/66/2017. The licence is current until 18 December 2018.

[2] The granting of a Temporary Authority is governed by s.136 of The Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

[3] The Inspector's report confirms that the applicant has tenure for the premises.

[4] There is no opposition from the Licensing Inspector or the Police. However the Committee acknowledges the concerns of the police outlined in their letter of the 5 June 2018 and confirming that they now raise no matters in opposition on the basis of the following undertakings given by Naveensingh Khatri to police in an email dated 5 June 2018:

- Mr Khatri will have no involvement in the management of the sale and supply of alcohol on the premises.
- He will ensure that an appropriately certified and appointed Duty Manager will be on site to manage those responsibilities when the restaurant is open.

[5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

[6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

[7] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

Chairman
Christchurch District Licensing Committee

Decision No. 60A [2018] 1461

IN THE MATTER

of the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER

of an application by **FLYING GYPSY LIMITED** for an Onsite special licence for a conveyance pursuant to s.138 of the Act in respect of a motor vehicle, **FER549**, based at **51 CURRIES ROAD, CHRISTCHURCH** and known as **CHARLIES PARTY BUS**.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION 'ON THE PAPERS'

- [1] This application relates to an onsite special licence for a conveyance to allow the sale and supply of alcohol whilst the bus is travelling on a wine trail on Saturday 11 August 2018. The Wine Trail is for the Fulton Hogan Social Club.
- [2] The wineries being visited are Waipara Springs, Waipara Hills and Torlesse. After visiting the wineries the bus will travel to Pineacres where a BBQ will take place. The pick-up and drop-off point is 364 Riccarton Road.
- [3] The conveyance is owned by Flying Gypsy Limited and known as 'Charlies Party Bus' and it has a registration number of **FER549**.
- [4] No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers. Having said this the Medical Officer of Health has expressed concerns regarding the availability of food during the period when alcohol is likely to be consumed on the trip. The report of the Medical Officer of Health's representative states that they have spoken to the applicant about their concerns and that the applicant agreed that the provision of food is not ideal but the person hiring the bus is given three options of food:
 - 1. To bring their own food.

2. To order a platter at a winery
3. Have a BBQ at Pineacres on the return journey.

- [5] The Committee notes the concerns of the Medical Officer of Health and also understands the position the applicant is in. It is a condition of the licence, that food as specified on the application is available. The range of food specified as available on the bus is of a limited range. It maybe that the applicant needs to review this and make sure that some more substantial food options are available. The Committee is not unaware of some of the practical issues that this may present but it is a well-known fact that the consumption of food with alcohol helps to mitigate the harmful effects of alcohol therefore reducing harm.
- [6] With the report of the Medical Officer of Health in mind the applicant is encouraged to review the food offerings on the conveyance.
- [7] The applicant seeks a waiver to allow other than a qualified manager to oversee the sale and supply of alcohol on the conveyance. This is granted. The responsible person shall be the driver. A list of drivers was supplied with the application.
- [8] A number of undertakings have been made on the application including limiting the sale of drinks to one at a time to help mitigate issues and that no alcohol shall be sold, supplied or consumed within one hour of the trip concluding. The undertakings shall be read as conditions of the licence and shall be adhered to as such.
- [9] I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104(1).
- [10] The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63.
- [11] The applicant must comply with all conditions specified on a licence.
- [12] The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)

The following conditions are compulsory:

- (a) **Alcohol may only be sold under the licence only on the following days and during the following hours:**

Saturday 11 August 2018 from 10.30am to 3.45pm.

- (b) **Drinking water will be freely available on the conveyance:**

Discretionary conditions – section 147(1)

- (a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) Food must be available for consumption on the premises as specified in the application.
- (c) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (d) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (f) Entry is restricted to invited guests only.
- (g) A copy of the licence, together with signs showing the age restriction must be clearly displayed.
- (h) The following areas are designated as restricted. The entire Bus.
- (i) Age verification of passengers must be presented before departure by way of appropriate identification.
- (j) The driver may at any time prohibit the consumption of alcohol at his/her discretion.
- (k) The entire premises shall be designated as a restricted area.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- Noise should be controlled so as not to disturb neighbouring residents.
- No Alcohol is to be sold, supplied or consumed on the conveyance after the last stop of the journey.

IN THE MATTER

of **51 Pages Road Limited**
and application pursuant to
s.136 of the Act for the granting
of a Temporary Authority
relating to the premises at **51
Pages Road, Christchurch**
known as **MacKenzies Bar**.

**BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING
COMMITTEE**

Chairperson: Mr PR Rogers
Members: Messrs R Wilson and Ms C Robinson.

DECISION 'ON THE PAPERS'

[1] This is an application by **51 Pages Road Limited** previously Samsas Enterprises Limited for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **MacKenzies Bar**, located at **51 Pages Road, 51 Pages Road, Christchurch**, and trading under On-licence number 060/ON/203/2018, the licence being current until 5 August 2019.

[2] The granting of a Temporary Authority is governed by s.136 of The Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

[3] The Inspector's report confirms that the applicant has tenure for the premises.

[4] There is no opposition from the Licensing Inspector or the Police.

[5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

[6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

[7] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

DECISION 'ON THE PAPERS'

- [1] This is an application by **HK Hospitality Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Bickertons**, located at **307 Pages Road, Christchurch**, and trading under On-licence number 060/ON/108/2017. The licence being current until 24 March 2020.
- [2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.
- [3] The Inspector's report confirms that the applicant has tenure for the premises.
- [4] There is no opposition from the Licensing Inspector or the Police.
- [5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

- [6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.
- [7] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

Chairman: Mr A J Lawn.

DECISION 'ON THE PAPERS'

- [1] This decision includes 15 applicants who are all participants in 'The Square Winter Ale Festival' and an overall licence which will be held by the organiser of the event, Canterbury Beer Festival Co. The applicants seek On licences to sell each applicant's own range of alcoholic products from stalls at a large scale event proposed to be held in Cathedral Square, Christchurch and scheduled to take place on Saturday 7 July 2018 from 3.00pm to 9.30pm.
- [2] A schedule of applicants, and their respective managers, is attached to this decision. Waivers are sought by some applicants to allow other than a qualified manager of oversee the sale, supply and consumption of alcohol. These are granted and the responsible persons shall be those as per the attached schedule.
- [3] The applicants are manufacturers, distributors, importers, or wholesalers of alcohol for sale for consumption off their premises and consumed off site. This permits samples to be provided free of charge on their premises.
- [4] No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.
- [5] The application states that up to 2,000 people are expected to attend the event. This is an annual event which has previously been held at the Rolleston Community Centre in the Selwyn District and it has now grown to a point where a larger venue is required.
- [6] A site plan and overall Alcohol Management Plan has been provided. An event permit has been issued for this event by the Christchurch City council.
- [7] The Alcohol Management Plan shall be read as conditions of the licence.

- [8] Qualified managers have been appointed, as per the attached schedule, and will oversee the sale of alcohol. An overall manager has been appointed by the organiser. A restricted designation is sought. This is appropriate for this type of event.
- [9] The event area will be fully fenced and entry strictly controlled and nine food stalls will also be located conveniently within the site.
- [10] All ticket holders will be identified and wrist banded, anyone sighted without a wrist band will be required to leave. Minors are not permitted on site.
- [11] Entrants will be issued with a 350ml polycarbonate glass on arrival and tasting pours will be 100ml. Free water will be provided at each stall in addition there will be four water stations distributed around the site (as per the plan provided). Security will also be present and manage entry, behaviour on site, and ongoing intoxication levels.
- [12] Four bands will provide entertainment as will a Japanese drummer, and professional entertainers. It is also hoped to have snow brought in for a snow sculpture competition.
- [13] I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104(1).
- [14] The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 63.
- [15] The applicant must comply with all conditions specified on a licence.
- [16] The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)

The following conditions are compulsory:

(a) Alcohol may only be sold under the licence only on the following days and during the following hours:
Saturday 7 July 2018 from 3.00pm to 9.30pm.

(b) Drinking water will be freely available on the premises as specified in the application:

(b) Food must be available for consumption on the premises as specified in the application.

(c) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.

- (i) The entire premises is designated as a restricted area.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- Noise should be controlled so as not to disturb neighbouring residents.

A copy of the licence setting out the conditions to which it is subject is attached to this decision.
