Memorandum for

THE SECRETARY,

DRAINAGE BOARD,

CHRISTCHURCH

Sir,

I have to inform you that Mrs. M Parker, of 26 Tuam St., Linwood, complains that a serious nuisance is caused by the smell from a sewer ventilator opposite to her shop. I referred the matter to one of the City Inspectors who reports that he inspected the sewer yesterday at 1.30 p.m. and "found the smell very bad". Will you be good enough to give the matter immediate attention?

Yours faithfully,

Hy R Smith
Town Clerk
