

# The rubbish bin

is for items which are not accepted in the organics and recycling bins except for the following hazardous items

✗ Explosives and flammable material

✗ Liquid chemicals

✗ Household cleaning liquids

✗ Dry chemicals

✗ Automotive products

✗ Paints and solvents

**The above items can be dropped off at EcoDrops (Transfer Stations)\***

Everyone benefits when our city is safe and clean.

Wheelie bins containing hazardous waste will not be collected. Continued contamination may result in withdrawal of your kerbside collection service under the Christchurch City Council Waste Management Bylaw, 2009.

Liquids, asbestos, tyres and needles are not permitted in any wheelie bins. Contact your health care provider for appropriate disposal advice for needles.

To find out more go to [ccc.govt.nz/sorting](http://ccc.govt.nz/sorting)

\* Free within Christchurch. Charges may apply within Banks Peninsula.
