The Act provides that an electoral officer is not required to verify or investigate any information included in candidate profile statements and is not responsible for the accuracy of the information contained in such statements.

BYRNE, Jo

Independent

My principal place of residence is within the Shirley-Papanui Community Board area.

I am proud to represent people in our ward affected by flooding after the earthquakes. I am founder, organiser and spokesperson for the Flockton Cluster Residents' Group. I have built relationships with agencies to progress our issues, and I want to help your neighbourhood too.

I am a Speech Language Therapist at a Special School and am married to Nick, whose family firm is involved in the rebuild. Our two children Harriet (6) and Frankie (5) attend Our Lady of Fatima School. I studied at Canterbury University, and have lived, worked and owned a home here for twelve years.

I know things are tough for many of us, but believe local communities can make a difference. I offer my skills to the Shirley-Papanui Community Board to help with the rebuild of our community and city.

RAWSON, Emma

Independent

My principal place of residence is within the Shirley-Papanui Community Board area.

I have lived in Christchurch for 37 years, raised in Papanui and Merivale. I have raised my 12 year old daughter in St Albans and Shirley. My professional experience includes nearly 10 years in Public Health working for Cervical Screening, Family Planning and Community and Public Health at the Canterbury District Health Board.

I am currently involved in Post-Quake Social Research and active Community Development for organisations as diverse as the Families Commission, Rehua Marae and the All Right? Campaign, CDHB.

As well as a Bachelor of Arts degree from Canterbury, I hold a Post-Graduate Certificate in Public Health, University of Otago.

My greatest achievement however is raising my daughter in this community.

What I have to offer is my leadership skills, ability to work across diverse communities and a commitment to this community in which I was raised.

GOODRICK, Lynda

Independent

My principal place of residence is within the Shirley-Papanui Community Board area.

Kia ora,

I have worked closely with the Shirley/Papanui Community Board and local staff over the past 13 years and have a good understanding of the processes around providing sound governance that this role requires. With your vote, I will commit to a transparent process, and listen and advocate for you and your community.

I was born and raised in Redwood and attended our local schools and also had connections as a young person with St Albans Swimming Club. For the past 13 years I have worked in community development and social work within Belfast in the role of Manager of the Belfast Community Network.

Naku te rourou nau te rourou ka ora ai te iwi – With your basket, and my basket the people will live.

Lynda Goodrick
