## Damian NEALE

*My principal place of residence is in the Shirley-Papanui Community Board area.*

I have lived in Christchurch most of my life and have a strong sense of community and understanding of what it means to be a proud Cantabrian. Even while working in the corporate environment for the past 15 years I have still been actively been involved in volunteer work such as school committees and heavily involved in administration and coaching at local sporting clubs. As a proud father of three I have always been enthusiastic about being involved in the community and having a positive impact on my local area. I am endeavoring to represent the Shirley-Papanui Community Board where I live. My involvement in community activities has influenced my decision to run for council as an independent and I firmly believe that cooperative & passionate people can contribute to lasting positive change and growth in our community especially when Christchurch is in a stage of rebuilding.
