

Christchurch City Council Lyttelton-Mt Herbert Community Board Electing 5 Board Members

Denis ALDRIDGE

Independent

My principal place of residence is in the Lyttelton-Mt Herbert Community Board area.

A long term resident of the Lyttelton region, Denis is CEO of Living Springs which has flourished under his leadership since 2007.

Denis has a sincere commitment to grow and enhance the environmental, economic and recreational value of Banks Peninsula. This is evidenced by his involvement in local initiatives like Project Lyttelton sustainable mini-farm project and the UNESCO Geopark working party.

He is a past member of the Diamond Harbour Rugby club captaining the team in the early eighties.

Being part of a vibrant healthy community is important to Denis who has built great relationships with local Iwi and many other community groups over years of involvement in a variety of organisations as needs have arisen.

Denis has developed extensive leadership skills through a depth of business experiences including 3 years in China with Nissan.

His competence and good character would make Denis a great asset to the Community Board.
