

Christchurch City Council Burwood-Pegasus Community Board Electing 5 Board Members

Linda STEWART

Independent

My principal place of residence is in the Burwood-Pegasus Community Board area.

I am also standing for the Burwood Pegasus Ward.

Through your difficult three years I have worked alongside you with unreserved commitment as your Community Board Chairperson. In the leadership role I initiated and with Board support adopted the Towards Recovery Strategy to foster post-earthquakes re-connection to you through your local groups as enabled conduits. You could then receive important post-earthquake information. Five new residents groups I encouraged to establish now play an important part in your community providing direct linkages to Council.

From the Capital Endowment Fund I won bids for:

Local Learn-to-swim tuition

Community-involved beautification projects in your neighbourhood

Retaining our yacht club within South Brighton Reserve Safety and Progressing New Brighton's recovery strategy Dallington's Community House

A third Community Watch vehicle

Next I wish to see an aquatic replacement for QEII. Re-establishing damaged recreational facilities.
