## Marty LEITH

The People's Choice - Labour

*My principal place of residence is in the Burwood-Pegasus Community Board area.*

A Burwood resident since 1981, married to Anne-Marie for 38 years, I have three adult children and three grandchildren. I've chosen to focus on the welfare of people in my working life, in social work, management

and advisory roles.

My recent employment has included coordinating volunteers for Christchurch Supergrans and, since the earthquakes, community work with the elderly. Local community involvement is a long-standing passion. I have been on the Burwood Kindergarten Committee and was Club Captain of the Burwood Soccer Club. Currently I am on the Board of PEEEPS, a community based initiative which maintains the beaches and the walkways throughout the ward.

I offer a balanced viewpoint, based on honesty and sound consultation. I'm committed to being a strong advocate for Burwood-Pegasus in the recovery, so that we get the mix of services and facilities that meet the needs of all our community.
