

Christchurch City Council Spreydon-Heathcote Community Board Electing 5 Board Members

Rik TINDALL

Independent

My principal place of residence is in the Spreydon-Heathcote Community Board area.

I am also standing for Christchurch City Mayor.

Greetings Christchurch south neighbours. Representing you, I seek more support for community organisations and events that bring families together. Parks, streets and the river must be kept clean and safe, always enhancing the natural quality of life that we treasure here. The built heritage of our forebears should also be well-maintained. Good public transport, walkways and cycleways can link up into an efficient system, and vehicle parking should be adequate too - they needn't conflict. Misuse of vehicles, alcohol and substances need tighter control and education. As chairman of Cashmere Residents' Association, I have organised submissions to council on these matters and will continue listening to community concerns and making them clearly heard. A small-businessman in computer support, I specialise in streamlining communication and believe that democracy can always be made more real, the better we are connected. I promise you dedicated service, with a smile. Phone: 332-1069 027-406-0077
