

Christchurch City Council Hagley-Ferrymead Ward Electing 2 Councillors

Tracey MCLELLAN

The People's Choice - Labour

My principal place of residence is not in the Hagley-Ferrymead Ward area.

People are the heart of Christchurch. I want to see support for strong, safe communities. I'm excited to witness the growth of a vibrant CBD, but I recognise that the rest of our city needs attention, too. I will make sure that we get it by speaking up. I will be open, accountable and available. I will work hard for an affordable and sensible rebuild, one for which future generations will thank us.

As a parent, scientist, and small business owner, I know the value of making well-informed decisions. I am proud to run with Cr. Yani Johanson. Your vote will help us to restore a responsible council that can work together for people.

I will promote healthy housing and affordable leisure facilities. We must protect our water. I will oppose the sale of council assets, so that future generations will know that we stood up for their interests.
