

Christchurch City Council

Hagley-Ferrymead Ward

Electing 2 Councillors

Wayne HAWKER

Independent

My principal place of residence is in the Hagley-Ferrymead Ward area.

I am also standing for the Hagley/Ferrymead Community Board.

I stand for what I believe in and believe in what I stand for. Honesty, integrity, transparency and democracy are what you deserve from a city councillor and these are values I live by. Having lived in this city my entire life I have seen the many changes of the city. As we continue to rebuild our city we face many challenges and I want to be there to help rebuild this city we are proud of and which will be a city of the future for the generations to come. I want to work in partnership with Government, fellow councillors and you the people who are the heart that makes this city beat. Together Everybody Achieves More. I look forward to your support to be able to be part of the team charged with leading this continuing recovery. I have lived in The Hagley/Ferrymead ward for the past 32yrs
