This application relates to the holding of an event on Saturday 12th July and Saturday 23 August 2014.

of an application by **GOODBYE BLUE MONDAY LIMITED** for an ON-Licence pursuant to s.99 of the Act in respect of premises situated at **170-172 HIGH STREET, CHRISTCHURCH**, known as '**BRICK FARM/SMASH PALACE**'.

**BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE**

Chairman: Mr A J Lawn.

**DECISION ON THE PAPERS**

This is an application by **Goodbye Blue Monday Limited** for a new On-Licence in respect of premises situated at **170-172 High Street, Christchurch**, known as '**Brick Farm / Smash Palace**'.

This is a new licence for a Restaurant / Bar situated in the city centre.

The general nature of the premises is that of a Restaurant. It has 3 floors and is situated in an area which is being rebuilt after the demolitions associated with the Christchurch earthquakes.

The main bar will be on the ground floor, kitchen on the first floor and a function room on the upper floor. The building has balconies and two distinct outside areas.

The directors of the company are experienced at running licensed premises, as they have operated a similar premise in the city previous to the earthquakes, as well as 'Smash Palace' on the corner of Bealey Avenue and Victoria Streets post-earthquakes.

Jonathan Moore is the principal of the company and will be 'hands on' in the management of the premises.

According to the Alcohol Licensing Inspector's report there were concerns raised about issues occurring in the surrounding area. The site is currently quite isolated as most of the surrounding buildings have been demolished. To address this a security firm will be employed, initially to work with all the bars in the area to provide roving patrols.

Police opposed the application on first reporting, as the building was not completed and they were unable to fully report on the design and layout. A subsequent report has been received and their opposition has been withdrawn.

No matters have been raised in opposition to the application in any reports as required by section 103, accordingly we deal with the matter on the papers.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

The hours in the application state Monday to Sunday 8.00am to 3.00am the following day, but the hours in the public notice state Monday to Sunday 8.00am to 1.00am the following day.

As this is a material inconsistency there is not the power to grant a waiver under section 208 of the Act, if one was sought, which it has not.

The licence can issue until the closing time of 1.00am and it will be for the applicant, if it so wishes, to seek a variation of hours to 3.00am and re-advertise the public notice with the extended hours.

I am satisfied as to the matters to which I must have regard as set out in s.105 and 106 of the Act and the licence is granted for a period of 1 year pursuant to s.104.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

**Compulsory conditions – section 110 (2)**

**The following conditions are compulsory:**

- (a) **No Alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on ANZAC Day to any person who is not present on the premises to dine.**
- (b) **Alcohol may only be sold the following days and during the following hours:  
Monday to Sunday 8.00am to 1.00am the following day.**
- (c) **Water will be freely available to customers on the premises while the premises are open for business.**

**Discretionary conditions – section 110 (1)**

- (a) the following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
- Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) the following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:
- Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.
- (c) the following steps must be taken to promote the responsible consumption of alcohol:
- The licensee must implement and maintain the steps proposed in their host responsibility policy aimed at promoting the reasonable consumption of alcohol.
- (d) The premises is undesignated.

**Other restrictions and requirements**

Section 51 - Non-alcoholic drinks to be available

Section 52 – Low alcoholic drinks to be available

Section 53 – Food to be available

Section 54 – Help with information about transport to be available

Section 57 – Display of licences

Section 214 – Manager to be on duty at all times and responsible for compliance

**IN THE MATTER**

of an application by  
**CLEARWATER GOLF CLUB  
LIMITED** for the renewal of an  
OFF-Licence pursuant to s.127 of  
the Act in respect of premises  
situated at **38 CLEARWATER  
AVENUE, CHRISTCHURCH**  
known as "**CLEARWATER GOLF  
CLUB**".

**CHRISTCHURCH DISTRICT LICENSING COMMITTEE**

Chairman: Mr A J Lawn.

**DECISION ON THE PAPERS**

This is an application by **Clearwater Golf Club Limited** for the renewal of an Off-Licence in respect of premises situated at **38 Clearwater Avenue, Christchurch** known as '**Clearwater Golf Club**'.

The current license number is **060/OFF/39/2007**.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

A waiver is sought in relation to the wording of the public notice where the word 'bottlestore' has been placed in the advertisement where it should read 'golf shop'. I do not believe anyone has been prejudiced by this mistake or that the mistake was wilful. I therefore grant a waiver under section 208 of the Act.

The Alcohol Licensing Inspector, in her report, points out that this licence was originally granted as a 'complementary' style licence and due to the nature of the business this is still true.

The applicant has shown that they have systems in place to mitigate issues.

The only persons who are eligible to purchase alcohol are those who are using the club's golf course. There are strict rules around behaviour as this is a course catering for the 'high end' market.

No matters have been raised in opposition in any reports as required by section 129 accordingly we deal with the matter on the papers.

The premises is reported to have traded without issue over the past year.

I am are satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act and the licence renewal is granted for a period of 3 years pursuant to s.130.

**DECISION 'ON THE PAPERS'**

This is an application for a Temporary Authority made under section 136 of The Act in respect of premises known as 'One Bar and Grill' and trading under ON- license number 060/ON/65/2005.

This is the second Temporary Authority that has been applied for by the applicant and is required, due to the company representative who is completing the new licence application has been overseas.

The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the purchaser of a business time to apply for a permanent licence.

The applicant is reminded to make sure that an application for a new licence is made in a timely manner as this Temporary Authority is for a period of no more than 3 months.

The applicant fulfils the criteria for the granting of an authority as set out in the Act, they have tenure and proof of purchase has been supplied.

There is no opposition from the Licensing Inspector. The Police raised suitability issues regarding one of the directors after a recent incident.

The director affected by this has resigned his directorship but remains a shareholder. A document setting this out has been forwarded to the Committee.

The premises are shut until this Temporary Authority is granted. With the resignation of the director with whom the Police took issue, the Temporary Authority can be issued.

Any further matters relating to suitability that the Police may have can be raised when the substantive licence application is reported on.

We are satisfied as to the matters we must have regard to as set out in section 136 of The Act.

The Temporary Authority is granted for a period of no more than 3 months or when a substantive licence is granted, whichever is first.

The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-license" and also to section 110(2)(C) of The Act in relation to the condition of the license that "drinking water is to be freely available to customers while the premises are open for business".

**DECISION ON THE PAPERS**

This is an application by **The Christchurch Tramway Limited** for the renewal of three On-Licences for conveyances. The base for the conveyances is **7 Tramway Lane, Christchurch**. The conveyances are known as '**Christchurch Tramway Restaurant (Tram 114), Tram 11 and Tram 178**'.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

The style of licence is that of a conveyance.

Due to the Christchurch earthquakes, and extensive damage to the tram tracks and infrastructure, the renewals have been delayed. The original applications were made in May 2012. The applications are therefore to be dealt with by way of the Sale of Liquor Act 1989, though the mandatory requirements of the Sale and Supply of Alcohol Act 2012 apply to the application as well.

The only conditions which the Inspector recommends changing are those which are compulsory under the new Act regarding the availability of water, and its advertisement within the premises, and the reduction of the trading hours to reflect the new default maximum trading hours in the new Act.

The current hours were  
Monday to Sunday, 7.00am to 11.00pm.

These will be reduced to Monday to Sunday 8.00am to 11.00pm.

This reflects the change in legislation.

The Alcohol Licensing Inspector seeks a waiver for late publishing of the public notifications. Given the circumstances regarding the earthquakes this is understandable. The waiver is granted under section 208 of the Act.

No matters have been raised in opposition in any reports as required by section 129 accordingly I deal with the matter on the papers.

I am are satisfied as to the matters to which I must have regard as set out in s.22 of the Sale of Liquor Act and the renewal is granted for a period of 3 years pursuant to s.130 of the Sale and Supply of Alcohol Act.

The applicant must comply with all conditions specified on a licence.

The licences will be subject to the following conditions for **Tram 114 (Restaurant Tram), Tram 11, and Tram 178.**

**While based at 7 Tramway Lane and journeying along the central Christchurch City tramline for the consumption on the conveyances the following conditions apply.**

**Compulsory conditions – section 110 (2)**

The following conditions are compulsory:

- (a) No Alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on ANZAC Day to any person who is not present on the conveyances to dine.
- (b) Alcohol may only be sold the following days and during the following hours the conveyances are being operated;  
  
Monday to Sunday 8.00am to 11.00pm.
- (c) Water will be freely available to customers on the premises while the premises are open for business.

**Discretionary conditions – section 110 (1)**

- (a) the following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
  - Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) the following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:
  - Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.
- (c) the following steps must be taken to promote the responsible consumption of alcohol:
  - The licensee must implement and maintain the steps proposed in their host responsibility policy aimed at promoting the reasonable consumption of alcohol.
- (d) the conveyances are undesigned.

Chairman: Mr A J Lawn.

**DECISION ON THE PAPERS**

This is an application by **Kai Pai Limited** for the renewal of the On-Licence in respect of premises situated at **19 Marriner Street, Sumner**, known as '**Joe's Garage Sumner**'.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

The general nature of the premise is that of a Café / Restaurant.

The only conditions which the Inspector recommends changing are those which are compulsory under the new Act regarding the availability of water, and its advertisement within the premises, and the reduction of the trading hours to reflect the new default maximum trading hours in the new Act.

The current hours are Monday to Sunday, 7.00am to 10.00pm. These will be reduced to Monday to Sunday 8.00am to 10.00pm. This reflects the change in legislation.

A waiver is sought in relation to the late posting of the public notifications. The applicant was investigating the possibility of increasing the hours of trade but after finding that resource consent would be required they decided that the hours that are associated to the licence would suffice. The waiver is granted under section 208 of the Act.

No matters have been raised in opposition in any reports as required by section 129 accordingly I deal with the matter on the papers.

I am satisfied as to the matters to which I must have regard as set out in s.105 and 106 of the Act and the renewal is granted for a period of 3 years pursuant to s.130.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63 and 231(1).

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

**Compulsory conditions – section 110 (2)**

The following conditions are compulsory:

- (a) **No Alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on ANZAC Day to any person who is not present on the premises to dine.**
