Christchurch Northern Corridor (CNC) – Roadwork Restrictions

Please be aware that there will be restrictions on work activities in place due to the intense work programme currently underway in and around the CNC project.

Restrictions will be in place between from Monday 9 March 2020 until June 30 2020

1. Contractors with existing sites may be asked to reduce the impact or remove there site, a TTM team member will contact with contractors should worksite amendment or removal be required.
2. For contractors who plan to undertake works utilising Generic Plans, within the areas shown on the attached map, works will not be permitted without an accepted site specific TMP or an accepted Road Space booking that has been accepted by CTOC.
3. Work activities may be permitted to continue where specific permission has been granted by a CTOC Traffic Management Team member. Please contact the CTOC TTM duty mailbox to request permission.
4. Works on the network, other than on restricted roads, within the CTOC area remain unimpacted by these restrictions.
5. Please note that these restrictions apply to not only works planned to be undertaken, but any worksite layouts entered into Myworksites after the 9 March 2020
6. Works may return to normal from 30 June 2020.

Thank you in advance for your cooperation.
