

Walk or Wheel to School Day

2021

A fun day that encourages children and their families to walk, cycle, scoot or skate to school.

This year is about going to school in a group! So step out with friends and whānau, and start the day together.

Also, follow the 'Walk or Wheel to School Day' Facebook event to see how you can win some awesome prizes by simply walking, biking or scooting to school!

All registered schools go into the draw to win a breakfast or sausage sizzle with More FM, plus spot prizes!

The winning school will be announced 22 February.
