

Application for code compliance certificate

Section 92, Building Act 2004 - Building (Forms) Regulations 2004 – Form 6

About this form

- Please check on our website (ccc.govt.nz/building-consent-forms-and-guides) that the form that you are using is current at the time of application as forms are subject to change without notice.
- A code compliance certificate is the Building Consent Authority (Council) final sign off for your building work. It is the owner's responsibility to apply for a code compliance certificate as soon as possible following the completion of all the consented building/drainage work.
- To obtain a code compliance certificate you will need to have completed and passed all required inspections, complete and submit this application form as well as all documentation as noted in the Construction Documentation and Advice Notes.
- The code compliance certificate will be based on the approved building consent documents. Any variations to the original approved plans are required to be documented and approved prior to the work being carried out.
- A code compliance certificate may not be issued until all the information required on this form relevant to the job is provided to the Council. This includes all names, certificates, registration numbers, producer statements, or any other required documents.
- A code compliance certificate will be issued within 20 working days of application if all information is provided and is correct and all building work complies with the building consent. This period may be suspended if further information is required.
