This exemption application relates to (give full description of the exemption required):

(An exemption application in relation to the immediate pool area should only be made if you accept the Council's assessment of this area in relation to your property, and you are seeking to be exempt from the requirement in the Act to fence the assessed area with a fence that complies with the Building Code. If you do not agree with the Council's assessment of the immediate pool area, you should apply to the Department of Building and Housing for a determination under Section 117 of the Building Act 2004 on "whether particular matters comply with the Building Code".)

I believe it is impracticable to comply with the above Act because: (provide all documentation that is to be presented to the Panel, use separate A4 sheet and attach if required. Additional information presented on the day of the hearing could result in the hearing being adjourned to a further date.)

Notes:

1. The Council can grant an exemption only when it is satisfied that the danger to young children would not be significantly increased.
2. If you wish to be present at the hearing please tick the appropriate box: ☐ Yes ☐ No
