- [2] The Temporary Authority has come about due to a restructuring of the business. The applicant's director was previously a director of the business and is now the sole director. This change of ownership occurred prior to the Covid-19 Alert 4 lockdown so the business is not currently open, but the intention is to resume as normal once the alert level is lifted.<sup>1</sup>

- [3] The applicant fulfils the criteria for the granting of an authority as set out in the Act, they have tenure and there is a valid licence for the existing premise.
- [4] There is no opposition from the Licensing Inspector, nor the Police to the granting of another Temporary Authority
- [5] I am satisfied as to the matters I must have regard to as set out in section 136 of The Act.
- [6] A substantive licence has yet to be lodged. I record that the issue of a Temporary Authority is 'temporary' and in order to ensure a new application is processed before the expiry of the Temporary Authority the applicant is strongly encouraged to make its substantive application within 6 weeks of the issue of this authority.
- [7] The applicant's attention is also drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-licence or off-licence concerned".
- [8] The duration of the Temporary Authority shall be no more than 3 months from the date of the decision or when a substantive licence is issued, whichever occurs first.

**DECISION ON APPLICATION FOR NEW OFF- LICENCE**

---

- [1] This is an application by Mt Liquor Limited ('the applicant') for a new Off-Licence pursuant to s129 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 8 Portman Street, Christchurch, known as Liquorland Woolston.
- [2] The premises operates under an existing licence, which expires on 4 May 2022.<sup>1</sup> The application has come about due to a change in business ownership. The applicant is currently operating under a Temporary Authority.
- [3] The general nature of the premise is that of a bottle store.

<sup>1</sup> 60/OFF/39/2019

- [4] The application was received by Christchurch District Licensing on 12<sup>th</sup> March 2020. The application was publicly notified from the 12<sup>th</sup> March 2020. No objections were received.
- [5] There is no objection from the NZ Police and none from the Medical Officer for Health. I record, however, that the Medical Officer of Health has raised the issue of whether the Committee should consider this as an opportunity to reduce the number of licenses in what is described as a deprived area.<sup>2</sup> The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 of the Act.<sup>3</sup> The Inspector recommends the grant of the off licence for 12 months subject to conditions.
- [6] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.<sup>4</sup>
- [7] I have considered the comment from the Medical Officer of Health. In this case the applicant is an experienced operator and the information provided with the file does not disclose any concerns about the operation of this store in the past nor with the manner in which other stores owned by the applicant's director have operated. In the context of this individual application and the criteria under the Act I find there to be no proper basis to use this application as an opportunity to reduce the number of licensed premises in this location.
- [8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.
- [9] Accordingly, pursuant to s.104(1) of the Act I grant the application for a an off - licence for a period of 12 months subject to the following conditions:
