DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G B Buchanan

DECISION 'ON THE PAPERS'

- [1] This application relates to the holding of an event on Sunday 30 July 2017 and Sunday 13 August 2017.
- [2] The event is the Shirley Golden Oldies Rugby Team away games to Temuka and Rolleston and it is expected to be attended by approximately 30 people
- [3] A waiver of the requirement to have a qualified manager to oversee the sale and supply of alcohol is sought. This is granted.
- [4] The responsible person will be the appointed Driver.
- [5] The Inspector has reported favourably in regard to the application.
- [6] No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers. The Police did not object to the granting of this licence on the condition that Chris Alsop would not be the designated person responsible for the supply and consumption of the alcohol. As there are other drivers available for this applicant this should not any great burden on the applicant and I set this as a condition.
- [7] The "Party Bus" concept has been fraught with problems in the past and I have some reservations about granting a licence. The applicant applies for a number of licences, albeit they are usually for out of town wine trails and the like, and there have been no issues reported. The applicant should be aware that any issues that arise may influence the committee in any future applications.

[8] I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104 (1).

[9] The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell alcohol until the licence issues. Unlicensed sales can result in imprisonment for up to three months or a fine of \$40,000 (sec 233 (a) and (b) of the Act).

[10]The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 63.

[11]The applicant must comply with all conditions specified on a licence.

[12]The licence will be subject to the following conditions:-

Compulsory conditions- section 147(3)

(a) Alcohol will only be sold on the following day and times.

Sunday 30 July 2017 from 12.00 noon to 8.30pm the same day.

Sunday 13 August 2017 from 12.00 noon to 7.30pm the same day.

(b) Signage must be displayed stating (directly or by description) a place or places on the premises at which drinking water is freely available to customers while the event described is taking place.

Discretionary conditions – section 147(1)

(a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) Food must be available for consumption on the premises as specified in the application.

(c) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.

(d) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.

(e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.

(f) Entry is restricted to invited guests only.

(g) A copy of the licence together with signs showing the age restriction must be clearly displayed.

(h) Age validation of passengers must be presented before departure by way of appropriate identification.

(i) No alcohol is to be sold, supplied or consumed on the conveyance on the return journey within one hour of the trip concluding.

(j) The driver may at any time prohibit the consumption of alcohol at his/her discretion.

(k)The driver shall not be Chris Alsop.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

Noise should be controlled so as not to disturb neighbouring residents.

The entire bus is designated as a Restricted Area.

DECISION 'ON THE PAPERS'

- [1] This application relates to the holding of an event on Saturday 15 July 2017.
- [2] The event is a GVI Logistics social club day out and it is expected to be attended by approximately 35 people
- [3] A waiver of the requirement to have a qualified manager to oversee the sale and supply of alcohol is sought. This is granted.
- [4] The responsible person will be the appointed bus driver.
- [5] The Inspector has reported favourably in regard to the application.
- [6] No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.
- [7] The "Party Bus" concept has been fraught with problems in the past and I have some reservations about granting a licence. The applicant applies for a number of licences, albeit they are usually for out of town wine trails and the like, and there have been no issues reported. The applicant should be aware that any issues that arise may influence the committee in any future applications.
- [8] I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104 (1).
