**DECISION ON APPLICATION FOR SPECIAL LICENCE

[1] This is an application by the **Its Tuesday Limited & 26 Stall Holders (as listed in the Inspector's report) ("the applicant")** for an On-Site Special Licence pursuant to section 22 of the Sale and Supply of Alcohol Act 2012 ("the Act") for premises known as **Otautahi Smoke 2022** situated at North Hagley Park Triangle – 6 Riccarton Avenue, Christchurch.

[2] The general nature of the event is that of Otautahi Smoke 2022. The number of people attending is said to be approximately 8,000.

[5] The New Zealand Police and the Medical Officer of Health are not opposed to the application.

[6] The Inspector's Report sets out the background to the application and addresses the matters to which regard has to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.²

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that granting the application subject to conditions achieves the purpose and objects of the Act.

The licence is also subject to the following conditions which in the Committee's opinion are not inconsistent with the Act

- (m) Noise should be controlled so as not to disturb neighbouring residents.
- (n) This licence does not excuse the applicant from obtaining, where necessary, a Building Consent in respect of tents or marquees.
- (o) The Alcohol Management Plan, as provided with the application and the undertakings within, are to be read as conditions of the licence and must be adhered to.
