¹ 60/CERT/902/2015

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.² The Inspector recommends the grant of the special licence for the event subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.³

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Ristretto Limited** for a Temporary Authority for premises known as **LB & Co Espresso** situated at 136 Ilam Road, Christchurch. This is the second application for a temporary authority which comes about because of a change of ownership.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Martin Ferguson, undated.

[4] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[5] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a further Temporary Authority will be granted should there be undue delay.
