**DECISION ON APPLICATION FOR TEMPORARY AUTHORITY
(ON THE PAPERS)**

[1] This is an application by **Same Same Hospitality Limited** for a Temporary Authority for premises known as **Thai Garden Papanui** situated at 484 Cranford street, Christchurch. An application for a substantive licence has yet to be received.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.¹ Accordingly I deal with the matter on the papers.

I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Hamish Little, 12 January 2023.

[4] S110(2)(c) - Drinking water is to be freely available to customers while the premises are open for business

[5] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."

[6] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. The Committee can give no assurance that a second Temporary Authority will be granted should there be undue delay.

DECISION ON APPLICATION FOR SPECIAL LICENCE

(ON THE PAPERS)

[1] This is an application by **LINWOOD SQUASH CLUB INCORPORATED** ('the applicant') for a Special Licence under section 138 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at **56 Kearneys Road, Christchurch** and known as "**Linwood Squash Club - Clubrooms**".

[2] The general nature of the event is that of Christina & Jude's Baby Shower. The number of people attending is said to be approximately 30.

[3] The applicant has experience running similar events. The applicant has nominated Jess Wilson, a Licensed Duty Manager¹ to manage the sale and supply of alcohol.

[4] The NZ Police and the Medical Officer of Health are not reporting on the application.

¹ 60/CERT/534/2015

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.² The Inspector recommends the grant of the special licence for the event subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.³

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of this licence.

Compulsory conditions – section 147(3)

- (b) Alcohol may only be sold under the licence only on the following days and during the following hours:

Saturday 21 January 2023 between the hours of 4:30pm and 9:00pm

- (c) Drinking water will be freely available on the premises as specified in the application.

² Inspector's Report, 17/01/2023

³ ss 191(2) and 202.

Discretionary conditions – section 147(1)

- (d) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (e) Food must be available for consumption on the premises as specified in the application.
- (f) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (g) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (h) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (i) A copy of the licence as well as age restriction signage must be clearly displayed.
- (j) Entry is restricted to invitation only.
- (k) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- (l) Noise should be controlled so as not to disturb neighbouring residents.

[9] The applicant's attention is drawn to section 259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

¹ Inspector's report, Nikki Anderson, 27 January 2023.

[1] This is an application by **Hospo HQ Limited** for a Temporary Authority for premises known as **Tutto Bene** situated at 192 Papanui Road, Christchurch.
