Chairperson: Mr D L Blackwell

DECISION ON APPLICATION FOR SPECIAL LICENCE

(ON THE PAPERS)

[1] This is an application by the **Jardin Musical Trust** ("**the applicant**") for an On-Site Special Licence pursuant to section 22 of the Sale and Supply of Alcohol Act 2012 ("**the Act**") for premises known as the **Gaiety Hall** situated at 104 Rue Jolie, Akaroa.

[2] The general nature of the event is that of Akaroa International Music Festival. The number of people attending is said to be approximately 85.

[3] The applicant has requested an exemption from the requirements of section 213(1) of the Act that requires a duty manager to be available. The applicant has nominated Wolfgang Kraemer to manage the sale and supply of alcohol on this occasion.

[4] The New Zealand Police and the Medical Officer of Health are not opposed to the application.

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard has to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.²

[7] I am satisfied that due to the nature and scale of the event and the experience of Wolfgang Kraemer that it is appropriate to grant an exemption from the requirements of section 213(1) of the Act and do so accordingly.

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of the licence.

[1] This is an application by the **Hornby Working Men's Club & MSA Incorporated** ("the applicant") for an On-Site Special Licence pursuant to section 22 of the Sale and Supply of Alcohol Act 2012 ("the Act") for premises known as the **Hornby Working Men's Club – Event Centre** situated at 17 Carman Road, Christchurch.

[2] The general nature of the event is that of Dairy Works Christmas Lunch. The number of people attending is said to be approximately 280.

[3] The applicant has nominated Karen Whale, a qualified manager, to manage the sale and supply of alcohol on this occasion.

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard has to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.²

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that granting the application subject to conditions achieves the purpose and objects of the Act.

- (m) Noise should be controlled so as not to disturb neighbouring residents.
- (n) The Alcohol Management Plan, as provided with the application and the undertakings within, are to be read as conditions of the licence and must be adhered to.
