IN THE MATTER OF the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER OF an application by **Eastern Masters Rugby League** for a **Special Licence** pursuant to section 22 of the Act in respect of premises situated at **75 Queenspark Drive, Christchurch**, known as '**Parklands United Sports Club – Club Rooms**'

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mr D L Blackwell

**DECISION ON APPLICATION FOR SPECIAL LICENCE
(ON THE PAPERS)**

[1] This is an application by the **Eastern Masters Rugby League** (“**the applicant**”) for an On-Site Special Licence pursuant to section 22 of the Sale and Supply of Alcohol Act 2012 (“**the Act**”) for premises known as the **Parklands United Sports Club – Club Rooms** situated at 75 Queenspark Drive, Christchurch.

[2] The general nature of the event is that of Canterbury Masters Rugby League Game day. The number of people attending is said to be approximately 80.

[3] The applicant has requested an exemption from the requirements of section 213(1) of the Act that requires a duty manager to be available. The applicant has nominated Jeanette Campbell to manage the sale and supply of alcohol on this occasion.

[4] The New Zealand Police and the Medical Officer of Health are not opposed to the application.

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard has to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.²

[7] I am satisfied that due to the nature and scale of the event and the experience of Jeanette Campbell that it is appropriate to grant an exemption from the requirements of section 213(1) of the Act and do so accordingly.

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of the licence.

Compulsory conditions – section 147(3)

- (b) Alcohol may only be sold under the licence on the following days and during the following hours:

Sunday 4 August 2024, 12.00 midday to 8.00 pm.

- (c) Drinking water must be freely available on the premises as specified in the application.

Discretionary Conditions – section 147(1) and (2)

¹ Inspector's report, Anneke Lavery, undated.

² Sections 191(2) and 202.

- (d) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory requirements on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (e) Food must be available for consumption on the premises as specified in the application.
- (f) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (g) Non-alcoholic beverages must be available for sale and supply on the premises as specified in the application.
- (h) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (i) A copy of this licence together with signs showing the age restriction must be clearly displayed.
- (j) Entry is restricted to the membership and invited guests only.
- (k) The premises are undesignated.

The licence is also subject to the following conditions which in the Committee's opinion are not inconsistent with the Act

- (l) Noise should be controlled so as not to disturb neighbouring residents.

[10] The applicant's attention is drawn to section 258 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under the Act.

Chairperson: Mrs M S Redstone JP

**DECISION ON APPLICATION FOR RENEWAL OF ON-LICENCE
(ON THE PAPERS)**

The District Licensing Committee granted a section 208 waiver in relation to the application having been received within 20 days of expiry of the licence. The application was publicly notified and remained on the website in compliance with the statutory requirements. No objections were received.

[4] There is no objection from the New Zealand Police and from the Medical Officer of Health.

[5] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.² The Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions.

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 105 (and informed by section 106) and section 131 of the Act that the granting the application subject to conditions achieves the dual objects of the Act.

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for a licence.

Other restrictions and requirements

- (i) Section 51 – Non-alcoholic drinks to be available
- (j) Section 52 – Low alcoholic drinks to be available
- (k) Section 53 – Food to be available
- (l) Section 54 – Help with information about transport to be available

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mr D L Blackwell

**DECISION ON APPLICATION FOR SPECIAL LICENCE
(ON THE PAPERS)**

[1] This is an application by **St Patrick's School Parent & Friends Association** ("the applicant") for an On-Site Special Licence pursuant to section 22 of the Sale and Supply of Alcohol Act 2012 ("the Act") for premises known as **The Village Presbyterian Church and Community Centre** situated at 190 Aorangi Road, Christchurch.

[2] The general nature of the event is that of a St Patrick's School Battle of the Brains Fundraiser. The number of people attending is said to be approximately 200.

[3] The applicant has requested an exemption from the requirements of section 213(1) of the Act that requires a duty manager to be available. The applicant has nominated Joanne McKenzie to manage the sale and supply of alcohol on this occasion.

[4] The New Zealand Police and the Medical Officer of Health are not opposed to the application.

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard has to be had in section 142 of the Act.¹ The Inspector recommends the grant of the special licence for the event subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 141(1) of the Act I can deal with the application on the papers.²

[7] I am satisfied that due to the nature and scale of the event and the experience of Joanne McKenzie that it is appropriate to grant an exemption from the requirements of section 213(1) of the Act and do so accordingly.

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 142 of the Act that granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for a Special Licence for the event subject to the following conditions:

The Licensed Premises

- (a) This special licence authorises the sale, supply and consumption of alcohol within the premises identified on the plan provided with the application and attached to and forming part of the licence.

¹ Inspector's report, Nikki Anderson, undated.

² Sections 191(2) and 202.

- (e) Food must be available for consumption on the premises as specified in the application.
- (f) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
