- All staff will be instructed to give advice to clients on transport options available to clients and order on behalf if necessary
- c. What other steps does the applicant propose to take aimed at promoting the responsible consumption of alcohol?

Alcohol is not our core business but seen as something for a client to relax and enjoy during their hair service. If we observe (staff will all be SCAB trained) clients to have already been drinking then no alcoholic beverages will be offered during their service. Drink service on offer will be dependent on the length of the clients service ,1 standrd drink per hour of service however capped at 2 standard drinks maximum.

d. What steps does the applicant propose to take to ensure that the requirements of the Act in relation to the sale of alcohol to prohibited persons (i.e. minors, intoxicated persons, other persons to whom alcohol may not be sold pursuant to the licence) are observed?

Under no circumstances will be served/offered to minors while they are in the salon. Anyone under the age of 25yrs especially if there is any doubt about age will be asked to produce photo indentification as proof of age and person eg NZ Drivers Licence, Passport or HNZ 18+ card or NZ Access card. g. What are the current and possible future noise levels and how does the applicant intend to mitigate them?

Noise levels are not seen as an issue, our clients are indoors in a reasonably large space. They are also seated during teh service so not actively walking around the salon talking to other clients or staff

h. What are the current and possible future levels of nuisance and vandalism and how does the applicant intend to mitigate them?

The sale of liquour is not our core business. Offering an alcoholic beverage for sale is seen as something to enjoy during their luxurious hair experience. Something added on therefore don't see vandaliam or nuisance being a issue. Of course we get some occasional tagging but related to the area not our service or clientele

 What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)

Victoria St

The Bog, Cruz Bar, Calendar Girls, Christchurch Casino, Sudima Hotel and several restaurants. Our primary business is providing hair and beauty services to our clients while they are in the salon. Alcohol will not be available to the general public and only to cleints during their service or time in the salon. The hours alcohol is available is restricted to business hours so unlikely to have issues or have any impact on neighbouring their service.

- j. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?
