b. What steps does the applicant propose to take to provide assistance with or information about alternative forms of transport from the premises, for staff and patrons?

We have signage displayed by the bar with taxi numbers and also offering to call taxis, other transport for any club member needing support. Club members have well practiced processes for sober drivers or transport of other members home. Additionally car pools are organised, and if required members can be driven home.

c. What other steps does the applicant propose to take aimed at promoting the responsible consumption of alcohol?

Besides having food and water and non-alcoholic options, we tend to only have older people in the club and bar, but we ask for ID before serving and ensure we don't serve anyone who is becoming influenced or appears intoxicated. We use the SCAB model and train bar staff to recognise and manage individual's consumption at acceptable levels, with the normal approaches of slowing service or offering non-alcoholic

d. What steps does the applicant propose to take to ensure that the requirements of the Act in relation to the sale of alcohol to prohibited persons (i.e. minors, intoxicated persons, other persons to whom alcohol may not be sold pursuant to the licence) are observed?

We have signage displayed but also Bar Staff are trained to apply our Club License requirements and policies, that being asking for ID if appear to be under age and if not clearly from another bowling club then evidence of affiliation. We also have a guest sign in book for guests of bowling club members. We have these requirements taped on the Bar Staff side of the till and beer taps so very visible as guidelines for staff, and

e. To what extent, where, and how is drinking water intended to be freely available to patrons? (i.e. explain whether water is bar service only, water jugs, or plumbed water stations (and locations))

Filtered water in bottles with glasses is available on the bar by the till so visible with signage to say free drinking water. Anyone can help themselves to free filtered water or ask for water to be served by the Bar Staff. The filtered bottled water is placed on the bar and kept available at anytime the bar is open.

f. What appropriate systems, staff and training does/will the applicant have in place to ensure compliance with the law?

Bar Manager training sessions with Bar Staff are held taking them through the Act, the License requirements, the Host Responsibility Policy and how to safely and professionally run the bar to ensure the responsible selling of alcohol across the bar. Refresher sessions are held with bar staff throughout the bowling season and they can at anytime seek clarification on any bar matter to ensure compliance. Again all required and

g. What are the current and possible future noise levels and how does the applicant intend to mitigate them?

Noise risk is very low. Bowlers generally finish quite early, many are elderly. Noise disturbance is therefore not an issue to neighbouring homes and even in the clubrooms all are reminded to be orderly & quiet upon leaving. We don't play loud music or have bowling competitions outside causing noise after dark as we have no flood lights over the greens and you are not permitted to consume any fluids or food over the greens

h. What are the current and possible future levels of nuisance and vandalism and how does the applicant intend to mitigate them?

Our Clubrooms are up a long driveway way off the street, and the number of younger patrons is low (we have no minors as members of our club at present), most are 50+ in age, so the threat of vandalism is negligible. Nuisance levels are zero/minimised through control of consumption levels of all patrons, ensuring that they will unlikely create any additional nuisance compared to their sober behaviour. In the very unlikely event

i. What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)

There is the Cashmere Club off Columbo Street across the Heathcote river not far from our Club but otherwise nothing very close. There has never been any issues to date with this being nearby.

j. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?

Residential Housing. No. Hence the renewal of this license will not create any additional issues/disturbance in the area or change the land use.

13. Authorisation You must complete this section in full

Have you completed ALL relevant sections of this form and attached ALL requested documents? Yes No

Incomplete applications WILL be returned. We can only process your application once we have BOTH the Proof of Payment of fees AND the required paperwork (application form and required documents).
