b. What steps does the applicant propose to take to provide assistance with or information about alternative forms of transport from the club, for staff and patrons?

Taxi's advertised with phone to call made available if required  
Information about ride share apps made available

c. What other steps does the applicant propose to take aimed at promoting the responsible consumption of alcohol?

attractively displayed drinking water will be clearly signposted and make available throughout space. Food items will be advertised and promoted.

d. What steps does the applicant propose to take to ensure that the requirements of the Act in relation to the sale of alcohol to prohibited persons (i.e. minors, intoxicated persons, other persons to whom alcohol may not be sold pursuant to the licence) are observed?

Signage will be displayed advertising that anyone appearing under 25 years of age will have their ID checked. The SCAB system will be used to keep track of and refuse service to any intoxicated persons

e. To what extent, where, and how is drinking water intended to be freely available to patrons? (i.e. explain whether water is bar service only, water jugs, or plumbed water stations and locations)

attractively displayed drinking water will be clearly signposted and make available throughout space. Jugs of water and glasses will be delivered to tables for customers. Water station will be on bar for replenishment.

f. What appropriate systems, staff and training does/will the applicant have in place to ensure compliance with the law?

All staff will be trained in recognition of minors and intox. SCAB intox assessment and ID of any patrons appearing under 25 years of age. Water and free food made available for anyone deemed to be nearing intox. Minors will not be served and unaccompanied minors will not be admitted.

g. What are the current and possible future noise levels and how does the applicant intend to mitigate them?

There will be low music audible from inside the venue only, there may be noise in outside area if doors are open, however, as there are currently no neighbouring business and location is in a non-residential mall, we foresee noise having no impact whatsoever

h. What are the current and possible future levels of nuisance and vandalism and how does the applicant intend to mitigate them?

New Brighton mall is currently very vandalised in the form of graffiti. We aim to be a brightly lit, cctv filmed business to dissuade any additional vandalism in our area. Ensuring staff are trained in responsible serving practices to minimize overconsumption and maintain a safe environment that will not lead to further vandalism. Our closing hours will be strictly adhered to. Community Engagement: Regular communication with local residents and businesses to address concerns and gather feedback on operational practices.

- i. What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)

There are few licenced premises in the vicinity. There is a Super Liquor close, but there was previously numerous licensed bars close that have not ceased operation. The nearest on-licence premises would be The Burger Joint & Phad Thai. This would still be a reduction in licensed premises in the last 12 months in the area. We would not see this as an exacerbation of alcohol density and alcohol related crimes / disturbances. Area is also a non-residential area. We would promote the responsible consumption of alcohol by all staff are trained in SCAB intox.

- j. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?

Currently there is no neighbouring land being used. This site will eventually be part of a larger development area and will work in conjunction with other proposed businesses.
