c.	What other steps does the applicant propose to take aimed at promoting the responsible consumption of alcohol?
d.	What steps does the applicant propose to take to ensure that the requirements of the Act in relation to the sale of alcohol to prohibited persons (i.e. minors, intoxicated persons, other persons to whom alcohol may not be sold pursuant to the licence) are observed?
e.	To what extent, where, and how is drinking water intended to be freely available to patrons? (i.e. explain whether water is bar service only, water jugs, or plumbed water stations and locations)
f.	What appropriate systems, staff and training does/will the applicant have in place to ensure compliance with the law?
g.	What are the current and possible future noise levels and how does the applicant intend to mitigate them?
h.	What are the current and possible future levels of nuisance and vandalism and how does the applicant intend to mitigate them?

- B. The premises will ensure free transport information and signage is visible throughout with phone numbers and various options for Uber, taxis, courtesy coaches.
- C. To promote the responsible promotion of alcohol on the premises, we will enforce strong staff communication to prevent and reduce incidences of intoxication. For instance, identifying vulnerable patrons and monitoring behaviours, determining how we interact with them using the SCAB tool, by offering low and non alcoholic alternatives and slowing services to them. We will deny intoxicated patrons any more services by safely escorting them out of the premises and ensuring they have safe transport options to get home. We will also ensure the responsible promotion of alcohol so that customers are not enticed to consume more, by prohibiting incentive-driven adverts and excessive discounts over 25%. Food and low/non alcoholic drinks will be served with a variety to slow alcohol absorption rates and thus intoxication.
- D. The premises will ensure the denial of services to minors by ensuring every customer who enters has their ID checked thoroughly by staff and promptly refusing service to those found under 18 years of age. We will do this by checking the customer's date of birth and examining the integrity of the form of ID and whether it is tampered. Fraudulent IDs will be marked in the Incident logbook.

For prohibited people like intoxicated persons, we will firmly refuse service to them and remove them from the premises. We will use CCTV cameras for evidence when violent or disorderly behaviour occurs.

- E. The premises will have free access to water on accessible locations like tables and counters. We will also offer water to customers.
- F. All staff who join the premises will be required to undergo ServeWise and will be trained to identify levels of intoxication and deal with them appropriately by assessing the customer's behaviour and intentions throughout their stay and adjusting service levels. They will be equipped to know the effects of alcohol consumption based on gender, food consumption etc. Most importantly they will know how to observe the law by following the licence conditions and host responsibility policy, in turn creating a responsible drinking environment.
- G. The current noise levels around the premises are calm and quiet because it is situated next to a golf course. We understandably expect the noise levels to increase with the premises operating and we will mitigate this by ensuring the maximum occupancy code for the premises does not exceed by keeping record of how many customers enter. We will ensure that any media played in the

premises is at a reasonable noise level at all times, communicating with staff members accordingly when it gets too high.

H. The current level of nuisance and vandalism surrounding the premises is low due to the overall calm atmosphere provided by the golf course next door. With alcohol we recognise that nuisance levels may increase due to the potential of disorderly patrons. In that case, we will refuse service and escort disorderly patrons from the premises. With vandalism, the CCTV cameras installed throughout will help deter incidents near the premises.

- i. What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)
- j. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?

10. Please attach the following documents:

You must provide the following prescribed documents (your application will not be accepted without these documents)
