We will provide low alcohol/non-alcoholic options, and also promote food consumption whilst drinking. If we notice that a customer is showing signs of intoxication and plans on driving, we will help to arrange safe transport.

As a retail store, noise is kept to a minimum, we do not see this changing in the future.

Being a retail store, again these are kept to a minimum. We imagine from time to time there may be intoxicated persons attempting to purchase alcohol and potentially being disruptive leading to vandalism in extreme cases, however our target is to safely remove these persons from the premises with minimum disruption to the community.

g. What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)

There is the Riccarton Race Course, a Bottle-O and another Liquorland in the close community. However all locations including ours have traded from their respective locations for several years. During our research into purchasing the business we were informed there has been little to no issue with the licencing or community that our premises is in.

h. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?

Majority of our community is residential, the granting of our license will have little to no effect on the surrounding land use/ community.
