- i. What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)

The nearest licensed premises to the proposed location are two hotels: one located 6.9 km away in Governors Bay and the other 9.1 km away in Diamond Harbour. Given the significant distance between these locations and the proposed premises, along with the limited concentration of licensed venues in the immediate area, it is unlikely that granting this license will contribute to an increase in alcohol-related issues locally. We will implement responsible services to ensure a safe and controlled environment for patrons, minimising any potential impact on the community.

- j. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?
