c. What other steps does the applicant propose to take aimed at promoting the responsible consumption of alcohol?

Appropriate signage in clear view of the public, offering free water, establishing that minors will not be served, no ID no service, intoxicated persons will not be served, having food menu options offered & readily available to all patrons, also ensuring all patrons are served water as part of general service. Clear communication with patrons & monitoring patrons consumption & behaviour so staff can intervene by slowing service & providing food or deny service & remove when there are signs of intoxication. Also having the host responsibility policy clearly displayed.

d. What steps does the applicant propose to take to ensure that the requirements of the Act in relation to the sale of alcohol to prohibited persons (i.e. minors, intoxicated persons, other persons to whom alcohol may not be sold pursuant to the licence) are observed?

Ensuring vigilant checking of ID's for patrons that look 25 or under. Engaging with customers in conversations at the beginning of service especially when intoxication is suspected. Engaging with customers & working to monitor, intervene & deny service &/or remove patrons depending on their level of intoxication. There will also be clear signs of our host responsibility policy & terms of service displayed. In regards to being a supervised area, also ensuring that if any minors are present or wanting to be present on our designated area; ensuring that they are indeed supervised by their parents or legal guardians.

e. To what extent, where, and how is drinking water intended to be freely available to patrons? (i.e. explain whether water is bar service only, water jugs, or plumbed water stations and locations)

Free water will be available to all patrons at all times. We have jugs of water available on the bar & at various water stations around the venue, however we primarily run table service & hence all tables are given water upon arrival & this is topped up throughout their time with us to encourage patrons to drink plenty of water & slow down alcohol consumption.

f. What appropriate systems, staff and training does/will the applicant have in place to ensure compliance with the law?

Staff will be trained to ensure they understand their legal requirements with regard to alcohol service & our specific terms on the licence. Staff are trained in regard to our host responsibility policy, server intervention strategies & use of the incident book as well as emergency procedures & armed robbery training. All training will be recorded & staff refreshed on a regular basis. We have a small staff, maximum of 2 to 3 staff on busy nights, all current staff hold a current DM Licence & all staff will also have completed Serverwise training.

g. What are the current and possible future noise levels and how does the applicant intend to mitigate them?

Our target market is coming to have a quiet snack/meal & drink & to catch up with one another rather than have a 'big night out'. It is important for our environment that music is kept at an ambient level so that conversation is easy & anyone that becomes too loud will be kindly asked to reduce their volume or be asked to move on from our premises.

h. What are the current and possible future levels of nuisance and vandalism and how does the applicant intend to mitigate them?

As per the answer for (g) our open hours & our host responsibility will ensure that patrons are not leaving intoxicated to a level where they are likely to be a nuisance or cause vandalism. We would intervene before patrons were this intoxicated, &/or we would record any nuisance behaviour in our incident book & contact police when necessary.

- i. What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)

5th street restaurant, Hello Sunday Cafe & the Colombo Mill are all food focused hospitality offerings in very close proximity to us. There are also a number of food focused eateries & cafes located close to us on Colombo Street also. We are not looking to have a late night focus, but rather offer a complimentary afternoon & early evening casual drinks + nibbles destination. Looking to close around the same time as restaurants (serving until 11pm) as we do not intend to promote being a late night drinking venue, hence it would be unlikely to increase any incidents of alcohol related problems, that largely occur later in the evening.

- j. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?

The area is 'IG' Industrial General Zone, with mainly industrial & some hospitality & retail so we will only be adding to the options in this zone & should not significantly impact our neighbouring land use.
