Application Checklist

(submit the following documentation along with your signed application form)

- c Copy of applicant's PE welding training certificate¹
- c Copy of applicant's PE welding test results²
- c Copy of applicant's confined spaces training certificate³
- c Company's Health and Safety Management Plan
- c Company's quality assurance plan⁴
- c Copy of company's public liability insurance
- c Application fee of \$550 (incl. GST) per applicant (not per company): payable by cheque or payment at cashier at CCC Offices in Hereford St

¹ PE Welding Training

CCC endorsed training providers:

- Le Hunt / Plastic Systems: www.pewelding.co.nz
- Opus Environmental Training Centre: www.opusetc.co.nz

² PE welding test results

Provide test results of 8 conforming site welds for each category applied for, including peel / decohesion test results, which were performed under the supervision of a Council Approved Welder and which comply with the category of the application and have been undertaken by the applicant within the past 12 months. Also include details of the welding machine used. The conforming welding results submitted with the application must include couplers, tapping bands, tees and reducers of various sizes. Note that upon successful assessment the applicant will be approved up to the maximum size of test results submitted.

³ Confined Spaces Training

CCC endorsed confined spaces training providers:

- Safety 'n Action: www.safetynaction.co.nz
- Vertical Horizonz: www.verticalhorizonz.com/nz
- Elite Training: www.elitetraining.co.nz

⁴ Quality Assurance Plan

For details on the required contents of such a plan refer to the CCC Infrastructure Design Standards Part 3 – Quality Assurance (Appendix III – QA plan template) and the CCC Construction Standard Specifications Part 1 – General (chapter 4).
