

# Register of Christchurch City Council Approved PE Welders

2/12/2025

[www.ccc.govt.nz/consents-and-licences/construction-requirements/approved-contractors/pe-welders](http://www.ccc.govt.nz/consents-and-licences/construction-requirements/approved-contractors/pe-welders)

## Important

#1 Only individuals get approved, not entire companies

#2 Before starting a job check if a Permit to Work is required:

[www.ccc.govt.nz/business/constructiondevelopment/permittowork.aspx](http://www.ccc.govt.nz/business/constructiondevelopment/permittowork.aspx)

#3 If your contact or employer's details have changed please submit the following information via email:

[pe@ccc.govt.nz](mailto:pe@ccc.govt.nz)

H&amp;S Plan, QA Plan, Public Liability Insurance Certificate, Company Contact Details, Welding Equipment Details

#4 PE welders that don't have a company name against their entry may not start any welding until CCC has been notified of the new company details (see #3)

#5 PE welders with an expired welding certificate (= welding certificate expiry date highlighted red) or a soon to expire welding certificate

(= welding certificate expiry date highlighted orange) may not start any welding until CCC has received and reviewed the welder's application

for the renewal of an existing approval:

<https://ccc.govt.nz/consents-and-licences/construction-requirements/approved-contractors/pe-welders/renew-your-approved-polyethylene-welders-approval/>

#6 Welding greater than 560mm requires project specific approval

## 48 Notice Required

Work on pressure sewer and vacuum sewer systems requires

48 hours notice

Email CCC 48 hours before starting work on site:
