

Bye Bye Cheques

Christchurch City Council is stopping cheques as a payment option from 30 April 2021, due to the three major New Zealand banks phasing them out in May, June and July of this year.

Other payment options include direct debit, internet banking, automatic payment, credit card or in person with cash and EFTPOS at any Council service centre.

The Council is encouraging ratepayers to consider direct debits, particularly for paying rates.

Alternative payment options

- Direct debit
This is the cheapest, most reliable and convenient way to pay – particularly for rates. Call us on 941 8999 or 0800 800 169 and we'll send you a form, or pick one up at the Civic Offices on Hereford Street or at one of our service centres.
- Internet banking
 - Rates - You can pay your rates online into the following BNZ account:
Christchurch City Council, 02-0800-0044765-01
You need to include the rate account number (an eight digit number beginning 73XXXXXX on your rates invoice) in the reference field. If you own more than one property, a separate payment is required for each.
 - Other Council services – Bills for other Council services will say on the invoice which bank account money should be paid into.
- Automatic payment
You can set up automatic payments to pay for Council bills. There are different ways to do this and you should contact your own bank to get more information.
Remember, if you use automatic payments for your rates, you will need to adjust the payment in July for the new rating year. You need to include the rate account number (an eight digit number beginning 73XXXXXX on your rates invoice) in the reference field. If you own more than one property, a separate payment is required for each.
- Telephone banking
Contact your own bank for information about telephone banking.
- Credit card
You can pay a Council bill with VISA or Mastercard via an internet service provided by BNZ on the Council website. Please note that a transaction fee applies.
For information about paying your rates by VISA or Mastercard visit www.ratesinfo.ccc.govt.nz/payments
- Cash and EFTPOS
Call in at any of our service centres or the Hereford Street Civic Offices to pay a bill with cash or EFTPOS.

More information about payment options, especially for rates, can be found at www.ratesinfo.ccc.govt.nz/payments

Avg Time to Process is the average working days taken to process, over a Processing Stream, of all LIMs completed on the previous working day.

Estimated Completion Date is the Received Date plus the Avg Time to Process. **All LIM Applications have been entered prior to 11.45am**

Wednesday 14th April 2021. Fast Track LIMS are currently taking 1-3 days to process and are highlighted below.
