## About this form

This form should be used where the owner of an elderly person's housing unit wishes to discharge (remove) an encumbrance because the unit has been converted into a residential unit able to be occupied by anyone. The conversion must either be located in the Residential Medium Density zone and comply with Rule 14.5.1.1 P3 of the Christchurch District Plan, or have obtained a resource consent.

A [fee](#) is payable when this form is submitted. We will send you an invoice with information about payment methods.

Where more than one unit on a site has been converted, requests to discharge the encumbrance from all of the converted units can be submitted on the same form. Additional fees may be charged for multiple discharges.

Please note that in addition to Council requirements, there may be separate Body Corporate requirements that need to be complied with in order for your unit to be converted for general occupancy. It is recommended that you check with the Body Corporate for your unit, and/or your solicitor, before submitting this form.
