

Division Street (Riccarton Road section) Changes to short term parking times Submitter feedback					
Submission ID	First name	Last name	Name of organisation (if applicable)	I / We	Comments
27878	Jeff	Vesey		support the plan	Would be positive move to assist parking for Riccarton Rd customers
27863	Peter	Murphy		do not support the plan	Whilst this is a good idea, traffic is terrible along Riccarton Road here. Encouraging more traffic movements in and out of this street will cause more issues and holdup on Riccarton Road, better to provide more parking on the other side of Riccarton Road.
27855	Julia	Saulsbury	Saulsbury & Co Optometrist	support the plan	Excellent Plan
27842	None	None	Bargain Chemist Riccarton	support the plan	
27841	Jordan	van Irsel		support the plan	The South Eastern parks I would suggest also turned into p5/p10.
27829	Kalia	Wiley		do not support the plan	It is hard enough to find parking in riccarton, to shorten the time will cause more hassle and stress for people in the area, instead finding a place to allocate more parking makes more sense than minimising the time allocated to people
27828	Peter	Wah	Dumplings on Riccarton	support the plan	<p>Peter asked to give his feedback verbally. This has been written down by the engagement advisor:</p> <p>Peter supports the proposal.</p> <p>He says he's just pleased to see some parking options made available for businesses on the south side of Riccarton Road near Division Street.</p>
