MINUTE # 3 AMENDING DECISION RELEASE DATE.

14 JULY 2022

- 1 The due date for decision release, given the late reply, is scheduled for 5.00 pm on 19 July 2022.
- 2 Unfortunately I have been affected by complications consequent on experiencing a heavy cold/flu which necessitated taking sick leave from work over the last week and a half.
- 3 So the release date will need be extended to Friday 22 July 2022. As best I have been able I have endeavoured to limit any extension to provide for the interests of anyone directly affected by this extension. As well I consider given the limited extension section 21 is satisfied.
- 4 Accordingly under s37 and taking into account s37A I extend the decision release date from 19 July 2022 to 5.00Pm Friday 22 July 2022.
