Existing vegetation. Retain where possible. Conflict with proposed swale

New swale

Educational space adjacent to swale

Rock revetment to tie in with existing revetment

Street end - community spaces - gardens, steps and ramp access to estuary, play etc

Coastal edge planting

Rock revetment

Seating on top of bund to provide rest opportunities and views out over the estuary to the wider landscape.

Shared path comes off top of bund here to skirt around the base. 400mm rock to be added to height of existing bund adjacent to residential property.

Clustered seating within the grassed area

Access lanes to lots for potential sale

HERON ST

Step access over revetment.

Grass on 1:5 batter slope to facilitate open access from primary path

Open grassed area with seating and trees for recreation
