The Committee have not sufficient information to enable them to decide upon the material to be proposed i.e. oil, paraffine or other material.

They would recommend, if the Council adopt the present reports, that separate tenders should be immediately advertized.

2. For supplying and erecting the stoves.
3. For supplying, fixing the lamp, lanterns and all requisite lamp work.
4. For supplying, oil, paraffine or other material and also for cleaning, lighting, mending or repairing the lamps or lanterns.

The requirements to be of such description and quality as may be hereafter decided upon by the Council.

Your committee believe that for a variety of reasons, and having every proper regard to the money contemplated being expended, it is highly desirable to proceed with the above named important work without any delay.
