Laid on Council Table
SEP 20 1909
The Town Clerk,

Christchurch.

Dear Sir,

I regret to have to lay a complaint with regard to an
Ice Cream cart being placed right opposite my business premises
in Cathedral Square,

Such cart if it remains will mean the absolute ruin
of my business as a Land Agent for ladies will not think of coming
to do business much less see my place of business while such
nuisance exists, with ^{probably a rendezvous for} small boys surrounding it from the Spectator
Office.
