The Secretary,

The Christchurch City Council,

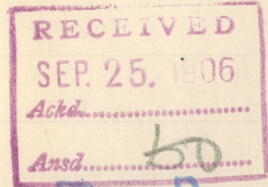

Dear Sir:

We desire to inform you that your scavengers refuse to remove the rubbish from our yards in Dundas St., making a point of throwing out all except that which is easy of combustion, iron hoop, tin etc., being rejected.

We do not know if this is in conformity with your rules, but it seems to us that we pay rates for having our rubbish removed of whatever character it may be. Please let us know your opinion on this subject.

Yours faithfully,

MILNER & THOMPSON,

R. V.
