**Bridget WILLIAMS**

Independent Citizens

My principal place of residence is not in the Fendalton Ward of the Fendalton-Waimairi-Harewood Community Board area.

I am stepping up again with two terms of experience on the Fendalton Ward. Having lived there for most of my 26 years, I still and will

always consider Fendalton home.

Being one of the younger representatives, I bring a youthful perspective endorsed by my previous terms and local knowledge.

As a trustee of the Christchurch Arts Festival Board, I have a passion for the arts and community, complemented by my background in law and entrepreneurship. These skills have equipped me with an appreciation for business, sustainability and creativity, values I seek to maximise and support throughout the ward.

My experience as a selected World Economic Forum Global Shaper has instilled my dedication for active citizenship and serving others, including the Fendalton community.

Thank you for your support over my previous two terms. I will continue making a positive change where it counts while pushing your values into action.
