Rebecca TAVETE

My principal place of residence is not in the Coastal Ward of the Coastal-Burwood Community Board area.

Do you believe the East is receiving a fair deal? As a successful local business owner in the heart of New Brighton and a passionate advocate in the community, I have real conversations with real people; I'm connected and approachable.

I am running for the community board because I believe I can represent the communities' voice to achieve our vision and the betterment of our coastal zone sooner.

We live in one of the most stunning locations in the world and I'm passionate about this being recognised. Our potential should not be underestimated.

I provide a realistic, community and business minded approach to decisions with a focus on real progress.

I have a proven ability to listen, see potential and find solutions. It would be a privilege to support the process of moving forward for the betterment of our community. I'm in it with you and for you.
