Clive ANTONY

Independent Citizens

My principal place of residence is in the Central Ward of the Linwood-Central-Heathcote Community Board area. I am also standing for Central Ward Councillor.

I am a Central City home owner, ratepayer and business owner. I founded and own the successful social media agency, Mates Social Media. We deliver for some of the city's largest organisations.

For me, business is about contributing to our community. I'm passionate and committed to employing graduates from Christchurch's excellent tertiary institutions and to growing a vibrant Central City. However, this election is about you. Our ward is going through many changes and it's important to have a Community Board member who understands that being your representative means delivering for you as a ratepayer. We must balance growth for business and residents alike. I have the energy, vision, community involvement and a successful financial track record to deliver for Central Christchurch. I can be contacted at anytime so please get in touch so I can understand your concerns and aspirations.
