Wayne HAWKER

Independent

My principal place of residence is in the Central Ward of the Linwood-Central-Heathcote Community Board area.

Have lived within the Central Ward for almost 40yrs and have been a strong advocate for my local community on many issues, these include shutting down an illegally operating brothel and more recently leading our community in stopping another liquor store opening in our community. These are issues that have a direct negative affect on any community and something I will continue to fight against. I am community driven and focused and not afraid to roll the sleeves up and get stuck in. I can at times be quite outspoken on issues but believe in saying things if they need saying. When elected as your representative on the community board I will be ready to be there listening to our communities. The heart of our city is our communities, healthy communities lead to a healthy city that is well on it's way to being a great city again.
