

Christchurch City Council
Innes Ward
Electing 1 Councillor

Nigel HAU

Independent

My principal place of residence is in the Innes Ward area.

Operator of the Cosy Café for the past 11 years. Prior to the Café I was a Director of Freshchoice Merivale.

I'm putting myself forward for council as I strongly believe it is time for a change in order to reduce the bureaucracy, address fiscal accountability in all areas and endeavour to make dealings with the council streamlined and straightforward.

I undertake to represent you around the Council table to obtain the best possible outcomes for our city.
