

# Paint supplied for graffiti

## Request

I had some residents contact me concerned that Council is supplying paint to people in the community, which appears to be because this (damaged, in a trolley?) sign refers to - at the bottom - "if you require free buff paint please let us know".

Their concerns are that this paint is being used to perform graffiti as they were graffitied recently on their private property.

Can you please help me to understand how, why and when this paint is supplied? What is the cost of supplying the paint? Also, where is this art wall (presumably somewhere in Hornby)?

## Council Response

### **How, why, and when this paint is supplied**

Artists supply their own paint, the art wall was created at Wycola Park in Hornby, to give 'aspiring artists' an opportunity to freely paint on a 'wall' set aside for their use.

### **What is the cost of supplying the paint?**

As above. Artists supply their own paint.

### **Where is this art wall?**

As above. This wall is located in Wycola Park, Hornby.
