

Notes from discussion with Mayoral Candidate Drucilla Kingi-Patterson

- Significant opportunities for Christchurch to leverage the arts, community activities, film making and events to help create “The Garden City of Dreams”
- Focus on children and youth, building on initiatives such as the Peace Train to create a more engaging and future focused city
- Address the issues relating to people’s wellbeing such as homelessness
- Develop a clear understanding of finances eg 30 year projection of rates
- Improve the business environment eg trade directory
