

Christchurch City Council

Lyttelton-Mt Herbert Community Board

Electing 5 Board Members

Adrian TE PATU

My principal place of residence is in the Lyttelton-Mt Herbert Community Board area.

I am also standing for the Canterbury District Health Board.

I'm very keen to be re-elected to our Community Board; it's a privilege to have served the last three years and I now appreciate advice of previous councillors and elected members: that it takes at least one term to get your head around the role and function of council, to be really effective. I'm committed to objectives the board have driven up in the last three years. Priorities for me include; Local community partnership in earthquake recovery; reducing port traffic off waterfront quays; Lyttelton Harbour catchment water quality steadily improving; Godley House site redevelopment; more and different people involved in our decisions (broader community engagement) which includes, greater community interest in the role of Community Board. Other current roles I have include; Diamond Harbour Community Association Chair; Diamond Harbour Rugby Club Captain; Stoddart Cottage Trust Chair; Hagley College Board of Trustees; Alcohol Drug Association of NZ Board Member.
