

Christchurch City Council Lyttelton-Mt Herbert Community Board Electing 5 Board Members

Andrew TURNER

The People's Choice

My principal place of residence is in the Lyttelton-Mt Herbert Community Board area.

I am also standing for the Banks Peninsula Ward.

I am a current Community Board Member, Lyttelton Harbour Business Association Chair, and Lyttelton Information Centre Trustee. I chaired the working group which enabled Lyttelton Farmers Market's move to London Street, and have been a Project Lyttelton Board Member and manager of Lyttelton's Festivals. My partner and I run businesses on Lyttelton's main street, allowing me the regular contact required to ensure I have a finger on the pulse of local issues, enabling me to represent the community effectively. I will support urgent replacement or repair of local facilities, put people at the heart of recovery, support public waterfront access, sensibly approach rockfall issues, and deal with heavy traffic and transport issues. I believe in a grassroots up rather than top down approach. I will continue to work hard for you, to engage, to be available and approachable, and to be a strong voice to ensure your views are heard.
