

# Christchurch City Council Fendalton-Waimairi Ward Electing 2 Councillors

---

## Andrew YOON

Independent

*My principal place of residence is in the Fendalton-Waimairi Ward area.*

I, Andrew Yoon would like to put my time and skills within the City Council table with your support.

In the last election of 2010, I was placed 3rd out of 14 candidates. However I am even more confident this year

that I will be able to make it into the council. I believe the skills that I have acquired from running my own business for 18 years will provide good knowledge that will help benefit Christchurch.

The world is constantly changing and I feel that our city will need to become more internationally recognized. As an immigrant and a citizen of New Zealand, I believe that I have what it takes to achieve this with the ability to bring new ideas and different suggestions towards the council that will help our city.
